

Environmental Policy

TK Plus Scientific Sdn. Bhd. believes that all injuries, occupational illnesses and environmental incidents are preventable.

The health and safety of our employees, customers, contractors and individuals as well as protection of our workplace environment and of the environment as a whole, are the highest priorities of TK Plus Scientific Sdn. Bhd.

To accomplish this, we will:

- Ensure visible commitment, leadership and personal involvement in health, safety and the environment.
- Communicate the policies and objectives to all employees in a clear, easily understood and concise medium.
- Provide a safe working environment for all our employees and ensure they are trained to carry out their work safely.
- Ensure our operations, products and services comply with environmental, health and safety regulations and of the customers' whom TK Plus serve.
- Drive continuous improvement in environmental sustainability through waste reduction, conservation of resources, prevention of pollution, management of hazardous materials and foster awareness of protecting the environment.
- Identify and assess the hazards arising from activities and determine control measures on associated risks.
- Review policies and objectives on a regular basis to demonstrate continuous improvement on HSE practices.
- Conduct audits and take corrective action to ensure effective implementation of this HSE policy.

We require that our employees, contractors and suppliers adhere to this policy at all times.

This HSE policy is implemented through the establishment of the HSE Management System which is an integral part of TK Plus Scientific overall management systems and approach.

Keselamatan & Alam Sekitar

TK Plus Scientific Sdn. Bhd. yakin bahawa semua kecederaan, kesakitan pekerjaan serta keselamatan dan insiden insiden kemerosotan kualiti dan pencemaran alam sekitar dapat dicegah.

Kesihatan dan keselamatan kakitangan, pelanggan, kontraktor dan individu serta penjagaan tempat kerja dan keseluruhan suasana persekitaran adalah keutamaan tertinggi TK Plus Scientific Sdn. Bhd.
